10 What to Bring
Welcome to Arroyo Vista

The Arroyo Vista staff would like to welcome you to the Arroyo Vista themed housing and your home away from home! Before arriving on campus, please take some time to carefully read through this guide, as it provides information that will help you prepare for move-in and for life in our community. Arroyo Vista is more than just housing – it’s a neighborhood where you can meet new friends, find opportunities to get involved, and make the most of your college experience. Get ready for a great year!

Move-In Day is Saturday, September 21st. Be sure to arrive during your assigned check-in window.

How Do I Check-In?

In order to minimize traffic congestion during check-in, you have been assigned a check-in time according to your house. Please be sure to arrive during your check-in window (see page 5), as you will not be allowed to move in prior to that time or to stop in the unloading zone at any other time.

Check-in is located at the Arroyo Vista Community Center. (See map on page 4.) Remember to bring your student ID, or other valid photo ID, as it will be necessary for obtaining your keys and a cart to move your belongings.

We request that family members wait outside of the check-in station in order to minimize congestion and wait time. Once you check-in you can locate your house/room and move your vehicle to the nearest unloading zone.

What if I can’t move in during my assigned time?

If you are unable to move-in on Saturday, September 21st, due to personal commitments please contact the Arroyo Vista Housing Office by Friday September 20th at avoffice@uci.edu to arrange for a later move-in date.

Students who arrive early and do not have written permission from our office to move in before September 21st will need to make other housing arrangements.

After-hours check-ins will take place in the AV Community Center from 3 p.m. – 11 p.m. The AV Housing Office will also be open on Sunday, September 22nd from 12 p.m. - 11 p.m. Normal AV Housing Office hours will resume Monday, September 23rd. (M-F, 8 a.m. - 8 p.m., Sun, 5 - 8 p.m.)
Where Should I Park?

Please park in AV parking lot while you check-in and pick up your keys, then move your car to the unloading zone closest to your house. Once you have unloaded your belongings, please move your vehicle to the closest parking lot. Additional parking can be found at the Anteater Parking Structure. (See map on page 4.)

Parking permits will be required starting Monday, September 23rd. Residents may purchase residential parking permits online at parking.uci.edu/permits and pick them up from the Transportation & Distribution Services kiosks between 7:00 a.m. and 5 p.m. Monday-Friday (see website for weekend hours).

Moving Carts

Carts will be available for rental with a UCI ID at the check-in station. There is a limited number of carts, so you might want to bring a cart or dolly if you have one.

Room Condition Report

You will receive a Room Condition Report, follow the instructions and complete the Check-in section. Once you have completed the form, sign and return it to the housing office within 48 hours of move-in.

About Your House

The houses in Arroyo Vista are furnished and accommodate between 16 and 32 residents. The first floor features a large kitchen and living/dining area. All University furniture must remain in the room where it belongs, and residents will be held financially responsible for missing furniture. We strongly recommend that residents do not bring additional furniture. We require that anyone wishing to do so, first obtain a written approval from the Assoc. Director of Operations. Submit requests to avoffice@uci.edu, by Friday, August 30th. Include “Personal Furniture” in the subject line, and make sure that the item meets CA Fire code standards. Constructions (such as lofts or room dividers) are not permitted.

2. Follow the driving directions to the left to get to the Arroyo Vista parking lot.

3. Park and follow arrows and directional signs to the check-in location. Bring a valid photo ID (driver’s license, passport or student ID).

4. Check-in will consist of picking up and signing for your keys.

5. After completing check-in, return to your vehicle and proceed to the designated unloading zone closest to your house.

6. Upon arriving at your house, unload all of your belongings onto the curb.

7. Have someone stay with your belongings while another member of your party moves your vehicle back to the Arroyo Vista parking lot.

*IMPORTANT: You will not be allowed to check-in to your room prior to your designated check-in time window. Also, you may only stop in the unloading zone during these times.*
Mail & Packages
You will be assigned a mailbox number and given a key at check-in. Mailboxes 1–474 are located outside the AV Housing Office, and 475–585 are located between housing 1034 and the half-court basketball court. (Refer to the map on page 4.)

Packages are delivered to the Arroyo Vista Housing Office, and can be picked up from the front desk during office hours. A Package Notice will be sent to your UCI e-mail address. A picture ID is required to pick up your packages.

If you receive mail for someone who no longer lives in your room, please place it in the “Misdirected Mail” slot on the door of the Mail Center outside the AV Housing Office.

Amazon Deliveries
Please use the Amazon Lockers for all Amazon deliveries. When you go to Amazon Checkout, please select a locker that is by your house. Please choose either Cicero (lockers by the Full Basketball Court) or Grape (lockers by the Half Basketball Court). When your package arrives, you will receive an e-mail with a code to access the locker.

Laundry
Each house comes equipped with a washer and dryer that operates using a credit or pre-paid debit card (as long as the pre-paid card has the “VISA” or “MASTERCARD” logo on the front).

UCI contracts with WASH Laundry, to provide washer/dryer services in our houses and requires an $8.00 hold on your credit/debit card when doing laundry. The money is not withdrawn from your account or charged to your credit card. When your load of laundry is finished, any funds unused are released back to you.
