Recycle Mailing Boxes - On-line shopping has truly revolutionized our lives by making it possible to order all kinds of things at the touch of a button. The ability to shop from your home or office makes life much easier. There is one problem with ordering on-line: Your items show up at your door in cardboard boxes stuffed with excess amounts of packing material. When you compare that to a reusable shopping bag (or no shopping bag at all), it can seem like a big waste. Cardboard is one of the easiest products to recycle. However, before placing them in the recycling bin - make sure to flatten your boxes. They will take up less space in the bins, and they will go through the recycling machinery more easily.

Recycling boxes and packing materials makes sense — and cents!

The Palo Verde’s BBQ Grills
Palo Verde provides and maintains the community gas grills and they are available for everyone’s enjoyment. The grills are available on a first come, first served basis. Here are some ideas to make your outdoor cooking experience more enjoyable:

Starting the Grill
• Make sure the lid is open while you are lighting the grill.
• Turn on the gas valve on some grills (dial from 0-60 minutes).
• Push in and turn on the BBQ control.
• Push in the igniter button to ignite the burners until flame is on.
• NO CHARCOAL ALLOWED. Placing charcoal embers on a gas grill can cause an explosion.
• Do not use woodchips with any of the grills.
• Be sure to turn the gas off when you leave.

BBQ Etiquette
• Bring and remove your own oven mitts, BBQ utensils (tongs, etc.).
• Once your grill has cooled down but is still warm, take your brush and clean off any remaining food particles so it is ready for the next resident’s use.
• Please clean up after yourself. Leave it the way you would like it.
• Do not leave your trash in the trash containers by the grills. Take your trash to the dumpsters.
• Share barbecuing tips and recipes with your neighbors. Be a guest chef at A Taste of Home and show off your grill work.
• Report needed maintenance to the Palo Verde office such as a gas leak, inoperable igniter, bad valve, or trash.

- If a resident is reported leaving the garage door open 3 times, they will have their privileges revoked.
- Parking in front of garages is prohibited and may be subject to a citation.
- Residents assigned to a garage are not permitted to park in the open lot at any time.
