Wildlife in our Neighborhood

Due to the California drought, wildlife will find fewer food sources which brings them coming even closer to our complex in search of water and food. The key is learning when and how to live with wildlife and to make sure your behavior (and the neighborhood) is keeping wild things wild and wary of people.

It is understandable that we would want to help, but in doing so we may bring harm to the wildlife and jeopardize any future generations that could become dependent on us for their food and water.

Remember ~ you live in a natural area that supports a variety of wildlife species. Enjoy them, but give them the space and respect they deserve by enjoying them from a distance!

If you feel there is a safety concern, contact the UCI Police at (949) 824-5223.

Thank You for Bringing Your Trash to the Dumpsters

A Reminder about Common Space Use

No wheeled vehicles, including skates and skateboards, are to be used in walkways, courtyards, hallways, or passages. Please collect your personal belongings and remove any trash that you may have generated before leaving.

Children are invited and encouraged to play at the Graduate and Family Housing playgrounds and in common areas under the supervision of a parent or guardian. Parents and guardians are responsible for the supervision and actions of their children.

Children are not permitted to play in parking lots, garages, garbage dumpster enclosures, laundry rooms, the community gardens, on stairwells, or in areas where other hazards may prevail.
