Christmas Tree Disposal
Remove your Christmas tree before it dries out. Dried-out trees are a fire hazard and should not be left
in the apartment, garage, or placed outside
against the building.

Trees should not be left in any of the common areas
other than in the dumpster areas. Place your trees in
the dumpster areas in a location that will not obstruct
the walkways or access to the dumpsters. The trees
will then be removed and recycled.

Returning Keys during the Holiday Break
The after hours drop box for various key
returns is located outside the Palo Verde
office door. During the holiday break, the
After Hours Assistants will be collecting the keys from
the drop box on a regular basis.

Returning a loaner key, room reservation key, or a
move-out key is the sole responsibility of the person
that signed for the key.

Loarer keys and room reservation keys do not require
envelopes, just lift the lid and drop the keys in. To return
move-out keys, please complete one of the envelopes
provided and place it in the box.

“Most people will passively do exactly what they did last year.
Whatever you do, don’t let that person be you.” ~ Richie Norton

Expecting Holiday Guests?
Residents may have overnight guests in their
apartments for no longer than seven (7) days, with
approval from the roommate (when applicable). Be sure
to discuss the visit and receive your roommate’s approval
prior to the guests’ arrival. Remain sensitive to your room-
mate’s feelings and concerns. Residents are financially
responsible for any damages caused by their guests.

Visitor Parking - All guest’s vehicles must be registered
when on site and may only park in designated visitor

is a visitor spot before entering the license into the

to manage and record the appropriate information in their
parking account. If you park in Palo Verde and you are
not registered by a Palo Verde resident, your vehicle
is subject to a citation and/or towing at the owner’s
expense.
