

PVRC Brunch at the Bridge
Join the Palo Verde Residents Council on Tuesday, June 11th, between 9am - 11am for pastries, coffee and juice from Corner Bakery located at the green footbridge. We want to help give Palo Verde residents a little boost for finals week!

Come by, meet your PVRC Members and grab something to eat to start your morning off right.

We hope to see you there!

Wildlife in our Neighborhood
Wildlife creatures are trying to meet their basic needs -- food, water and shelter in an ever-changing landscape. They are finding fewer food sources which brings them coming even closer to our complex in search of these needs.

The key is learning when and how to live with wildlife and to make sure your behavior (and the neighborhood) is keeping wild things wild and wary of people.

There has been some sighting of snakes throughout the Palo Verde property. Although most native snakes are harmless, if you see a snake, keep your distance and avoid any kind of an interaction. Please use caution when walking your pet and encourage children to stay out of the bushes and deep grasses.

Remember -- you live in a natural area that supports a variety of wildlife species. Enjoy them, but give them the respect and protection they deserve by enjoying them from a distance!

If you feel there is a safety concern, contact the UCI Police at (949) 824-5223.

Is your apartment-mate moving out?
When your apartment-mate signs a vacate notice with the Palo Verde Housing Office, the next student on the wait list is contacted by the assignments staff. If the person expresses interest, he/she is given a specific time frame to contact you. During this transition period, you are responsible for:

• Responding promptly to emails/phone calls when a prospective apartment-mate contacts you.
• Review the suggested list of prospective apartment-mate topics provided to you by the assignments staff.
• If you have any concerns regarding the assigned apartment-mate based on your discussion, contact the assignments staff immediately to discuss the issue.
• If you are going to be out of town during this transition time, contact the assignments staff to provide a phone number or email address where you can be reached.

For questions or concerns, the assignments staff can be reached at: pvassignments@housing.hsg.uci.edu.

Together we can make a difference in a Veteran’s life.
Please Bring Your Trash To The Dumpsters
Leaving trash lying around, especially close to others, is an invitation for animals to come, rip open the bag and cover the area with a layer of your garbage.
To reduce pest activity, it is important that you walk your trash to the bin, open the lid and place the trash inside the bin.
Be considerate and make sure that you dispose of your trash in the proper way. Please place trash from your apartment in the garbage (beige) and recycling (blue) bins provided in the dumpster areas located in the parking lot. Please do not throw your trash over the enclosure walls or leave your trash on top of or around the dumpster. Make sure that ALL trash makes it into the dumpster.
To stay in compliance with federal, state and local regulations, the waste container lids must be closed when not in use and at the end of every business day. Our waste contractor closes them as soon as they empty them.
Thank you for doing your part to keep Palo Verde clean!

End of the Year AGS Family Celebration
June 12th, 3 - 6pm at the Irvine Spectrum Center
Come celebrate the end of the school year with AGS! You will get a chance to meet fellow graduate student parents and the AGS Family Engagement team in a fun family-friendly environment. We will be set up in front of Target at the play structure. There is also a carousel and small splash pad so feel free to bring a change of clothes for your little ones.
Light dinner will be provided. The first 25 families will receive a family goody bag!
Please RSVP on Eventbrite page “Irvine Spectrum Family Day with AGS”. For questions or comments, please contact us at ccd@ags.uci.edu.

Bug Safari
Come join the outdoor fun of exploring the natural world together with your child. Plant a garden, hunt for leaves, learn about nature, see how food is grown, explore the composting process, create crafts and much more.

Come join the fun!
