PV Picnic and a Movie
Tuesday, June 18, 2019
From 6:30 – 8:00pm
OUTDOOR MOVIE SCREENING AT DUSK
Bring a picnic and meet others on the PV lawn (between the 8400 and the 8700 buildings)

Four high school kids discover an old video game console and are drawn into the game’s jungle setting, literally becoming the adult avatars they chose. What they discover is that you don’t just play Jumanji - you must survive it. To beat the game and return to the real world, they’ll have to go on the most dangerous adventure of their lives, discover what Alan Parrish left 20 years ago, and change the way they think about themselves - or they’ll be stuck in the game forever.

JUMANJI WELCOME TO JUNGLE

In case of inclement weather, the PV Picnic and a Movie will be moved to the Palo Verde Community Room. All guests are welcome.

Should you require accommodations for this or any Palo Verde event or program, please contact sherwook@uci.edu.

PVRC Public Meeting
Monday, June 17th at 7:00pm
in the Palo Verde Lounge
Looking to meet other residents and learn about your community? This is the event to go to! We use these public meetings to update residents on what is happening in the community and in campus housing. Address your concerns and suggestions with PVRC and other residents on any issues that need to be addressed and what improvements you think we can make. We are also eager to hear about what has been going well. Come by, grab a slice of pizza and meet your neighbors.

Let us know your thoughts! Hope to see you there!

Did You Know?

Less than 9% of all of the plastic we use every day gets recycled. Instead, most ends up in landfills or floating out in the ocean. Environmentalists say letting go of a single piece of plastic could be a first step in a much-needed larger behavior change.

Electrical Service - Here are a few things to remember regarding your electrical service:

- Residents are responsible for providing electrical service for their apartment.
- When moving out, contact Southern California Edison at 800-655-4555 or on-line at www.sce.com to turn off service.
- Advise your roommate(s) when you are leaving so they may acquire electrical service from Edison in their own name.
- Once a resident who was on the SCE electricity account moves out, one of the remaining roommate(s) will need to set up an account under their name. The electrical service must be set up as a NEW account and not as a transferred account.
- Edison will ask you to provide your address, which is: (your apartment number) Palo Verde Road, Irvine, CA 92617 and the service start date, which is the date your lease starts in Palo Verde.

Placing Work Orders - Please place a work order instead of attempting repairs yourself. Address maintenance problems immediately as it can progressively and exponentially be more expensive and more difficult to remedy the worse they get.

On-Line Work Order Request - When placing a work order, go to https://www.housing.uci.edu/services/Work_Order.html. Select Palo Verde work order. Using the drop-down menus, select Palo Verde under Facility, select the building number, then your apartment number (make sure you use your correct apartment number) and location of the problem from the list, then click the button. For Example: 5905K for Kitchen, 5905R for Restroom, etc. Fill out the form completely. You will not be able to submit the request until all fields marked with an * are completed. Do not use this site for any emergency requests (leaking water, overflowing sink or toilet, etc.).

Place a Work Order in Person - Come to the Palo Verde Office and complete a work order request or call us at (949) 824-8918. Your residential contract contains a RIGHT TO ENTRY clause that allows PV staff to enter your unit for maintenance. Our staff wear blue shirts with the Student Housing logo (except for the painter who will be wearing white) and carry their UCI staff identification. Never open the door or allow entry if you have any doubt. Our PV staff know they may be turned away until the work/worker is verified through the Palo Verde Office. Please advise your roommate(s) that you placed a work order so that they may be aware that our Maintenance staff will be entering the apartment to make the repairs.
